ERIN: It's my pleasure to be here with you today

REPORTER: Could you tell us about your daily routine whenever you don't have any interviews and photo or movie shoots?

ERIN: Sure. Like most people, I usually get up early, around 6 or 7 in the morning. Then, I go for a jog. After that, my Husband and I have breakfast, which he prepares. My Husband is a good cook, I must say; but I usually have a busy work schedule, so we don't eat together as often as I would like. That simple daily routine seldom occurs.
